Monday 28th SCHOOL CLOSED (Bank Holiday)

Mon 4th- Thurs 7th June Parent Teacher Meetings to discuss children's Transition Reports. Look out for the 'sign up' sheet later to arrange a time that suits you.

A note for your diary

On Friday 8th June we will have an End of Year Celebration day in the Nursery- all families invited
More information to follow

On Friday 15th June we are planning our annual Nursery Trip to the Zoo.
We welcome parents (one adult per child) to join us for the final trip of the nursery year.

Reminder:

As part of our Child Protection Policy we are asking parents and visitors to avoid using their mobile phones while on the school premises. This is a very important issue and I appreciate your cooperation on this matter. Thank you

St Maria Goretti May Newsletter

This month we will be continuing to learn about mini-beasts and life cycles of frogs and butterflies. We will also be introducing the theme 'under the sea' and 'starting big school'. Please get involved by continuing to sing the songs and poems from the mini-beast song sheet. We are also hoping the sun comes out and we can have lots of outdoor play and enjoy all our learning activities in our beautiful gardens and playground.

- This month the children will become familiar with the **Emotion** feeling 'Proud'.
- In Numeracy we are learning all about **patterns** and it would be helpful if you could talk about different patterns with your child at home by looking around the home and local environment for patterns.
- As part of our **Self-help Independence** programme we are encouraging children to become more confident outdoors on our play areas by developing their gross motor skills. We will be reinforcing how to hop, skip and jump, throw and catch and climb safely. This will help children prepare for outdoor activities in Year 1.

Summer Term

It is very important that you make sure your child is protected against the sun before they come to Nursery in the warm weather. Please ensure that your child has sun cream/block and sun hat on when the weather is good. Please also ensure that your child wears velcro trainers to school as the children have a lot of outdoor play involving climbing and riding bicycles etc. Dresses are not suitable clothing for girls as they are a Safety risk. All children - boys and girls may wear shorts in the warm weather.

Hats and Shades Day

As part of Sun Safety Awareness Week we will be asking all children to wear their favourite hat and sunglasses into school on Friday 18th May. It is also a Non Uniform Day so children can wear their favourite clothes. This is a fund raising event and each child can contribute £1 towards Cancer fund for children

Holiday list change!

Tuesday 29th May is now a school day for children. We will finish the school day at 12.30pm after dinners that day to allow the staff time to prepare for our Open Night on that evening. Thank you for your understanding.

School Website

We hope you are enjoying browsing our website and looking at all photos of the fun activities that are happening in the nursery. It also informs you of events and future dates. If you are having any difficulty finding the website just ask a member of staff to show you
