

St Maria Goretti Newsletter September

Dear Parents,

Thank you for choosing St Maria Goretti Nursery School as the first step in your child's formal educational journey. Our school vision:

'Children at St. Maria Goretti Nursery School shall enjoy a happy and secure environment where they experience a wide range of learning opportunities through a varied curriculum, enhancing their self-esteem and confidence and laying the foundations for lifelong learning.'

permeates all our activities throughout the year and we will work with you to ensure your child reaches their full potential. We would encourage all parents and families to enjoy our welcoming environment and to feel comfortable to discuss concerns, ask questions and give feedback when necessary.

Each month we provide NEWSLETTERS to keep you informed about what is happening in the nursery. You will get updates about activities, events and trips. The newsletters will also tell you about the current theme and provide details of some songs and rhymes you could sing with your child. They will also provide information of ways to help your child at home in particular areas including self-help independent skills, early mathematical experiences and the emotional focus.

To help maintain effective COMMUNICATION with you throughout the year, please check out our school website: www.stmariagorettinursery.co.uk for information and updates. It is also a good resource for all the family to see the beautiful photos of your child taking part in the exciting activities and events in the nursery school. The Seesaw app. is a great way of sending spontaneous photos personally to you and please find the information attached to sign up to use this Seesaw app.

Our School Nursery Rhyme Book is provided so that you can enjoy singing along with your child.

We look forward to working with you to help your child settle in to the busy and exciting nursery environment over the coming transition weeks.
